

Mount UMPC Tablet - Tough Tray II™ RAM-234-6 (Tray Only)

Well thought out and compact designs are common place at RAM and our new RAM Tough Tray II™ is no exception. Spring loaded to create just the right amount of holding force, most tablets, UMPC's, and compact laptops can be made safe and secure while on the go. Simple to install and adjust retaining arms insure a perfect fit without interfering with ports or functions. Also, if a compact laptop is in place, these retaining arms hold firm with the screen up or down.

Ideally suited to a multitude of applications, and easily attached to hundreds of mounting systems for cars, boats, planes, and more, compact devices just work better in the universal tablet holder from RAM.

RAM Mount Description:

The best solutions for mounting the Tough Tray II™ are the [RAM-POD-I](#) and [RAM-POD-III](#), universal no-drill vehicle mounts.

Product Number: RAM-316-1-234-6

Tough Tray II™ with RAM-POD-1, universal single leg vehicle mount.

Product Number: RAM-316-3-234-6

Tough Tray II™ with RAM-POD-1II, universal three leg vehicle mount.

RAM Mount Description:

RAM Double Suction Cup, Twist Lock Mount with Tough Tray II™. The Double Locking Suction Cup Mount consists of a High Strength Composite Base with a RAM Locking Suction Cup Base at both ends.

Product Number:
RAM-333-234-6U

RAM Mount Description:

RAM Aviation Yoke Mount with Tough Tray II™. The Yoke Clamp Mount accommodates rails in diameter from 0.625" to a maximum of 1.125". The 1" rubber ball is at a right angle to the plane of the mount so when connected to a rail, the ball sits parallel to the rail.

Product Number:

RAM-B-121-234-6U

RAM Mount Description:

RAM Strap Rail Mount with Tough Tray II™. The Strap accommodates rails from 0.5" to a maximum of 2".

Product Number:

RAM-108-234-6U

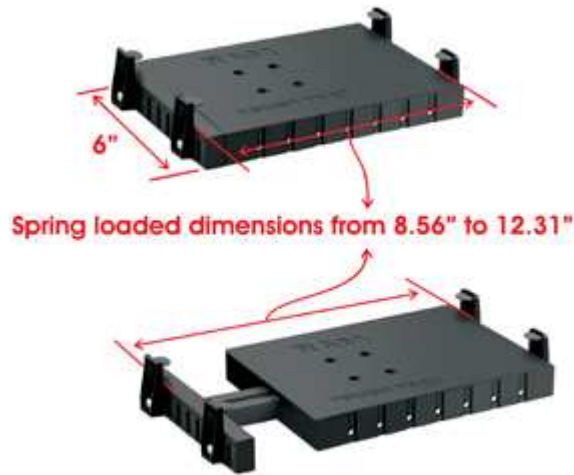

RAM Mount Description:

RAM Flat Surface Mount with Tough Tray II™.

Product Number:

RAM-101-234-6U

The RAM Tough Tray II™ is spring loaded and includes (4) standard retaining arms and (4) flat retaining arms. These arms can be moved both vertically and horizontally, allowing for a custom fit for varying thicknesses of laptops and tablets. The Tough Tray II™ is smaller in size, compared to the Tough Tray, making it more versatile in mounting various types of smaller laptops, tablets and portable dvd players.
