

RAM-HOL-UN4U INSTRUCTION SHEET

Parts Index

- A. PLASTIC HOLDER BASE
- B. PLASTIC ENDS (TOP & BOTTOM)
- C. 3 LENGTHS OF FLEX ARMS
- D. #8-32 STST NYLOCK NUT THIN
- E. #8-32 X 3/8" MACHINE SCREW
- F. #8-32 X 3/4" MACHINE SCREW
- G. VINYL END CAPS

The RAM ATV / UTV Universal Hand Held Mount will fit most any popular GPS, Radio, Cell Phone or other hand held device. Choose the length of flex arms (C) based on the dimensions of your hand held. The flex arms will have an inward angle when properly assembled so the device will not release without firm pressure. Some adjusting to the arm placement is recommended to find the proper tension for your particular use and size of device.

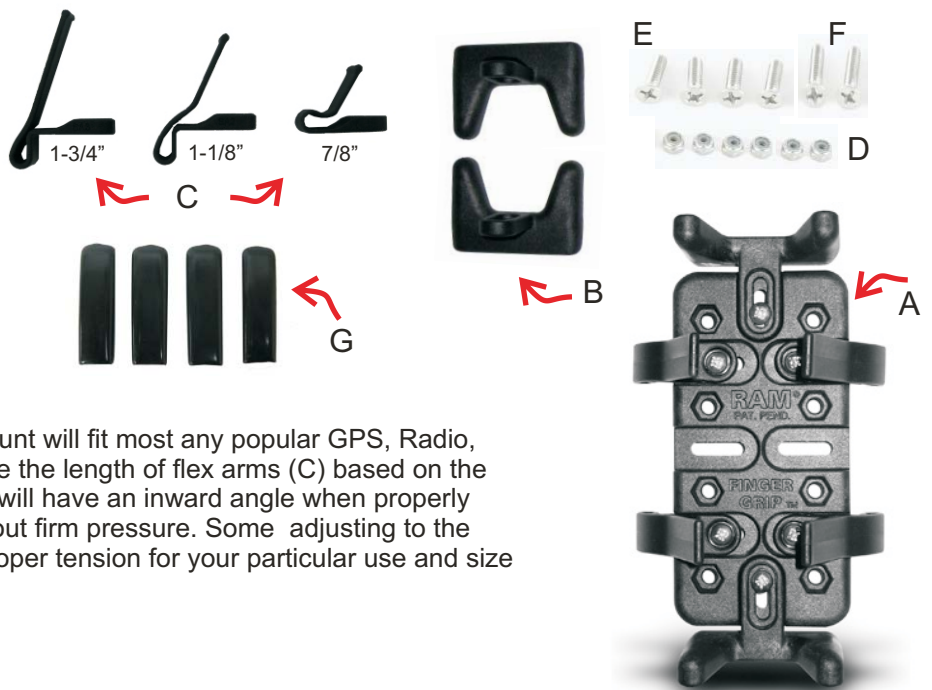

National Products, Inc., 1205 S. Orr St., Seattle, W A 98108, (206) 763-8361 www.RAM-MOUNT.com
